**Case No.: C07-3434 (VRW)**

**DEFENDANT'S MOTION TO DISMISS  
AND MOTION TO STRIKE**

15  
16 **INITIAL BRIEF**

- 17 1. I appreciate the court setting a date to hear my Motion to Dismiss and my Motion to Strike. I submitted  
18 these motions based on the information given me in the "Handbook for Litigants without a Lawyer  
19 United States District Court for the Northern District of California". Chapter Seven page 66 of that book  
states "One side files a motion...Next the opposing party files an opposition brief... then the moving  
party files a reply brief... the court can decide the motion based solely on the arguments in the papers  
or it can hold a hearing."
- 20 2. Since I am unable to attend court in San Francisco, it is my hope that the other party will submit an  
21 opposition brief for me to reply to since they seem to be exploiting the fact that I reside out of the  
22 country and jurisdiction of the court so that they can proceed in my absence and submit false  
information, like they did in their application, without giving me the chance to review and respond to it.
- 23 3. It is my hope the judge will be able to decide the motion based on written submissions since my whole  
24 argument is jurisdiction as I do not reside in the United States and am unable to attend court in San  
Francisco and therefor have little or no dealings with the District the application was filed in.
- 25 4. If the hearing proceeds, I ask that I be given a copy of any submissions or evidence submitted by the  
other party so I may see it and respond to it.
